Doesn t that mean he hasn t taken a bath since?

Are you alright? Didn't you get hurt anywhere?
Y-yeah...
The transfer student, Shibata Mizuki_kun
I thought that he was a living being that existed in a world different from mine
Ye...
Everyday?
Yeah...
Is it always like that?
His hair is always silky-smooth, and his shirt brand-new
Da-
Dad doesn't come home often, too...
..We don't have a bath at our place, and the washing machine is broken too, so...
...You're really LOW-LEVELED, aren't you.
low-leve

His...
His hands are full, or something like that...
I went and made a big deal out of it...
Come over.
I don't like this...
Eh?!
Eeh-?!
Here!!

soft
warm
?
?
...
Everyday on your way home, take a bath at our place,
take my clothes and go home, and wear them to school tomorrow!!
...Eh??!
I eeeeean't do that!!
You need to deal with naive idiots as straightforward as possible.
...Ugh
you smell really nice~
...
Also, one more thing.
For the clothes - they're mine, so it's only natural that I wash them in my house. Come return them everyday, okay.
I only have my mom here,
and it's lonely to get in the bath alone so come in with me.

Get
stronger,
and next time,
be the one to
protect me.
are you going
that far.....?
...Why
...Because I
always thought
that you were
beautiful.

The shirt that I thought to be stiff

was, to a surprising extent, very soft

...Shun-chan, you fell asleep?
You are the one that is the most beautiful.
I wonder what dream you're having...?
